*50 Voodoo Blues Licks You Must Know* is a mesmerizing, contextual, hands-on and highly effective study program for blues players. Host Steve Trovato is not only a guitarist's guitarist having studied with jazz greats like Chuck Wayne and Pat Martino; and having performed with Robben Ford, Albert Lee, Albert Collins, and dozens of other world-class musicians. He is also the instructor's instructor with 40 instructional books, 30 instructional DVDs and hundreds of columns and articles to his credit. Trovato will help you get your hands doing things on the fretboard that your head only dreamed of doing before with the *50 Voodoo Blues Licks You Must Know* DVD.

If you're battling the proverbial rut in the shed, or feeling a bit polarized at the local jam, or just plain tired of hearing yourself play the same old same old, the *50 Chord Tricks You Must Know DVD* is likely your key to pushing through to the other side. Host Matt Brandt will get you playing the chord ticks that will get fellow guitarists asking you to "show me that!"

Host Corey Congilio will help you round out your Progressive Blues bag and take your blues game to an entirely new level with the *50 Progressive Blues Licks You Must Know DVD*. You'll learn how to apply techniques and melodic devices like hybrid picking, hip hammers and pull-offs, sixths and thirds, chromatics, diminished runs, open-string and intervallic moves, major-minor pentatonic phrases, octaves, double and triple-stops, repetitive phrases, pre-bends, half and full bends, intervallic leaps, muting, scratches, rakes and many more of the essential tricks of the Progressive Blues trade.

*50 Voodoo Blues Licks You Must Know, 50 Chord Tricks You Must Know* and *50 Progressive Blues Licks You Must Know* will be released on DVD January 29, 2013 and will be available at retail stores nationwide and online at an estimated retail price of \$24.95.
