**eMedia Music Announces New Version of *Guitar Method* CD-ROM
*The Ultimate Way to Learn to Play Guitar***

Seattle, WA— eMedia Music Corp., publisher of the world’s best-selling series of guitar tutorial CD-ROMs, announces the release of Version 4.0 of *Guitar Method Vol. 1*. The new version includes a more intuitive interface, improved high-quality audio and video, and new fretboard skins. With over 160 large-screen, easy-to-read lessons and more than 50 high-resolution large format videos, Version 4 proves to be a significant upgrade, making it a perfect starting point for the beginning guitarist.

The original *eMedia Guitar Method Vol. 1* was a breakthrough in multimedia guitar instruction and was named a top 50 CD-ROM of the year by *Newsweek* and was critically acclaimed by more than 100 other sources. Ranked by Music & Sound Retailer as the best-selling music education CD-ROM for four consecutive years, *eMedia Guitar Method* is hailed as “the ultimate way to learn how to play guitar” by legendary guitarist Peter Frampton.

eMedia Guitar Method makes learning fun and easy with step-by-step audio- and video-enhanced guitar lessons. Kevin Garry (Ph.D., University of Colorado-Boulder) guides you through the lessons, which include over 70 popular songs from various musical styles such as rock, folk, and classical. *eMedia Guitar Method* covers the basics, such as stringing and tuning your guitar, and moves on to playing chords, reading tablature, and understanding music notation. *eMedia Guitar Method* allows you to learn at your own pace. Bonus accessories, which include a digital metronome, chord dictionary, automatic tuner, and digital recorder, make *eMedia Guitar Method* a complete package for the beginner. It’s everything you need in one box on one CD-ROM.

Version 4.0 of *eMedia Guitar Method Vol. 1* is available at computer and music retail stores nationwide at an estimated retail price of \$59.95. The CD-ROM is a hybrid for both Windows (98/2000/NT/Me/XP/Vista) and Macintosh (OSX 10.1+). A free downloadable demo of *Guitar Method* is available online at www.emediamusic.com.
