New eMedia Ukulele For Dummies Ukulele Lesson Software Now Available!

Seattle, WA – December 20, 2016. [eMedia Music Corp.](http://emediamusic.com), developer and distributor of award-winning music software, is now shipping its latest addition to an impressive line of instrument instructional software, [eMedia Ukulele For Dummies](http://emediamusic.com).

New eMedia Ukulele For Dummies delivers over 65 ukulele lessons that can teach you how to play ukulele and learn at your own pace in the comfort of your own home. 35 high-definition videos teach important ukulele techniques. Over 25 popular songs give you a chance to apply what you learn. Songs feature band accompaniment tracks that make practice fun. Make learning even easier by looping sections of songs and slowing down difficult sections.

Professional ukulele player and instructor Tim Carey (Cornish College of the Arts) guides you through easy-to-follow lessons that start with basics such as holding, stringing, and tuning the ukulele and then go on to teach how to play ukulele chords and use ukulele-specific strumming patterns. eMedia Ukulele For Dummies teaches students what they need to know to play hundreds of popular songs and is perfect for all ages – from kids to adults!
